

Lutz Chiefs

Youth Football and Cheerleading

2022 Sponsorship Form

The Lutz Chiefs Youth Football and Cheerleading Program is a 501(c)3 tax-exempt non-profit organization. Since 1978, our focus has been on providing the youth of Lutz and its surrounding communities with a safe, structured environment to learn football and cheerleading, while also reaping the benefits of any organized team sport, including accountability, teamwork, respect, an appreciation for the value of hard work, and a sense of pride for the communities in which they live and play sports.

Today, our program continues to have a meaningful impact on our community—and, most important, the youth throughout the Lutz area. Frankly, it would be impossible to do all of this without the support from our sponsors, the community, and local businesses like yours that allow us to extend our reach and simply do more. Like your organization, the Chiefs want to make an impact, no matter how big or small – and we need your help to ensure our efforts are far-reaching!

We would like to provide your company with the opportunity to support our efforts and reap the rewards of advertising with an organization that boasts more than 250 registered families and an additional 1,500 + families who play on our fields and attend football games both in the fall and spring seasons.

If you are interested in partnering with us to either become a sponsor or continue sponsorship of our program, we encourage you to review the packages listed below and let us know which you may be interested in. We are also happy to discuss a customized sponsorship agreement if you prefer; just let us know. Either way, you can rest assured that every dollar, from every sponsorship, is immediately invested into growing both our sponsor's businesses and the Lutz Chiefs organization. We look forward to your support!
